**Pie Supper.**  
It has been announced to the general public that a pie supper is to be served at the school house on Cherry Camp run near Bristol Friday evening. The proceeds are to be spent for the benefit of the school library. Everybody is invited to attend.

**Begin Revival Meeting.**  
The Rev. J. H. Clark, pastor of the Bristol charge of the Methodist Episcopal church, began a series of revival meetings at the Grass run Methodist Episcopal church Thursday night.

**Pie Supper.**  
According to information received by telephone a pie social will be held at the Salem Fork school house in Tenmile district Saturday evening by the teacher, Miss Celia Perine. The proceeds will be used to buy books for the school library.

**Runs Pitchfork in Leg.**  
John L. Goodwin, the ten-year-old son of Mr. and Mrs. Sylvester C. Goodwin, of Grass run, was rather painfully injured the first of the week by running the prongs of a pitchfork into his leg just above the knee. He was immediately taken to a physician at Marshville and had the wound dressed. He is getting along very nicely at this time, and it is not thought that anything serious will develop.

**A "Hog-Killing Time."**  
This week seems to be a real, sure "hog-killing time" throughout the district despite the rising temperature. The most of the people who have porkers are butchering—partly because of their advanced weakness for fresh meat and partly because of the high cost of feed. Spare-ribs, backbones, sausage, corn bread and pumpkin pie—uh-h-h-h!

**Personals.**  
Mr. and Mrs. Hiram D. Lynch and son, Walter F. Lynch, were guests of Mr. and Mrs. William R. Flanagan, of Brown, Sunday.

Miss Mollie Smith, of the lower end of town, went to Grass run the last of last week where she was a guest of friends and relatives for a few days.

Mr. and Mrs. Waldo Brainer, of Doddridge county, were entertained at the home of Mr. and Mrs. William R. Flanagan, of Brown, Sunday.

Mr. and Mrs. Hiram D. Lynch and Miss Edna Flanagan were shopping in Clarksburg the first of the week.

Guy M. Harbert, county road engineer, was here the last of the week in his official capacity.

**More and better milk**  
If that means anything to you then investigate and feed your cows  
**DEWEY'S READY RATION**  
Protein 25% Fat 6%  
Fiber 10% Carbohydrates 50%  
It is more milk per dollar than from any other feed. This is a fact experienced by every user. The reason is simple. Dewey's Ready Ration is a scientific combination of highest grade of the following feeds, each selected for its food value: Eagle Brand Condensed Milk, Lard Oil, Meal, Cotton Seed Meal, Malt Sprouts, Wheat Bran, Wheat Middlings, Hominy Feed and 5 per cent salt. This combination positively makes strong healthy cows and more milk. Feed Dewey's Ready Ration with home grown hay, straw, fodder, molasses or roots and you have the perfect balanced ration (no other feed or grain need be fed with it, but it may be fed with home grown grains). It will cut your feeding costs and increase your profits. We will enter a guarantee to give satisfaction when fed to dairy cows or we will take it off your hands and refund your money.

### WHAT IS GOING ON AT WALLACE

Events of Interest in Sardis District Are Chronicled.

**WALLACE, Nov. 10.**—All of the people of this district are very greatly interested in the returns of the recent election at the time when this was being prepared for publication. It appears that nothing decidedly definite can be learned as to the fight between Hughes and Wilson—one report will come that Hughes is ahead and soon an intelligence will be received declaring Wilson far in the lead. Hughes is most decidedly the choice of local people—and some of them are still yelling "Hurrah for Hughes!"

**General Turnout.**  
It is commonly conceded by some of the oldest residents of Sardis district that there was the most general turnout of the Republican party in many years at the election Tuesday. Some adherents to Republican principle who had not been to an election in several years were out to the polls.

**Box Social at Brown.**  
A box social will be held at the school house at Brown Friday night for the benefit of the school library. All are extended a cordial invitation to attend. The Wallace band will furnish music for the occasion.

**Gets Good Gas Well.**  
The Carter and Sheets Oil and Gas Company, of Clarksburg, has completed its initial test well on the Mrs. Amanda Bailey farm on lower Indian run and have a good gas well. It is reported that the well, when tested by the mercury test, showed a pressure of 2,000,000 cubic feet. Other wells will probably be drilled on that farm and adjoining farms within the next few months.

**Building Derrick.**  
A force of rig builders are engaged in building a derrick for well No. 28 on the Thomas Haymond farm on Lonesome Hollow at this time. The South Penn Oil Company has the lease.

**Begin Spudding.**  
The South Penn Oil Company's drilling crew commenced spudding at its initial test well on the Guy Furber farm on upper Grass run Thursday.

**Gets Oil Well.**  
The Hoffmeier and Deegan Oil and Gas Company, of Parkersburg, have a twenty barrel producer on the Lohme Steward farm on Lost run, Sardis district.
